

Community Colleges New South Wales

Vision

Communities informed and empowered through learning

Purpose

CCNSW is the peak-body working on behalf of its member colleges to enable them to achieve social, cultural and economic aspirations of their communities

Priorities & Goals

Member Services	To ensure our members are informed, cohesive, capable and viable
Identity	To strengthen recognition of the community college Sector
Relationships	To establish and maintain effective relationships with government, community agencies, industry and business.
Innovation	To support the development of ideas that gives our members a strategic advantage
Growth	To realise opportunities for sustainable expansion

Values

Integrity

- Never compromise on professional and ethical standards
- Are open and honest while respecting confidentiality
- Encourage members and our staff and
- treat them with dignity
- Accept responsibility for our actions

Excellence

- Continuously improve what we do
- Share our knowledge to support members
- Collaborate with members to achieve the right outcomes
- Are committed to learning from our experiences

Responsiveness

- Consistently meet member needs
- Communicate regularly providing relevant information
- Assess the impact of decisions and external factors on members
- Listen, anticipate and act on members needs

Innovative

- Encourage fresh ideas and follow them through
- Find smart ways to deliver the best results
- Use our collective experience to seek solutions to problems
- Act upon new opportunities
